Overhead garage doors are white, 8' wide and 7' tall. Other sizes and colors are available.

**Pre Painting:** Available upon request. Pre Painting of siding and trim. The customer is responsible for the finish coat of paint after installation.

## **Prices include any applicable sales tax.**

Prices do not include painting, staining, or caulking.

Affordable Sheds does no excavating but will level the shed up with treated wood shim material.

No Charge Up To 6". Leveling beyond 6" or use of cinder blocks will require an additional charge.

Most areas require a building permit for structures over 150 sft. in size.

Building Permits, Zoning Permits, and Homeowners Association Permits are the responsibility of the customer

Travel charges will apply to jobs located outside of our standard delivery area.
